Proposed Tax Increase for 2027

WASHINGTON TERRACE, UTAH

MEETING THE DEMAND FOR PUBLIC SAFETY

Why a Sustainable Funding Increase is Needed

To improve the response times and the safety levels our community expects, we are proposing a sustainable funding increase to support additional law enforcement officers.

KEY FACTS ABOUT THE PROPOSED INCREASE

- **Property tax increase of 6.7%.**
- **Generate $98,100 specifically to support the need for additional officers.**
- **The increase will go directly to law enforcement and nothing else.**
- The investment supports the Washington Terrace portion of 10 additional officers to the contract citics. This increase supports the overall officer pool that services Washington Terrace.
- **The city participates in a contract with 10 other entities who contract with Weber County Sheriff for law enforcement services.**
- **This investment will support additional officers and improve proactive policing.**

ESTIMATED ANNUAL IMPACT ON TYPICAL PROPERTY

Primary Residence Valued at $409,000

Estimated Increase: **$25.33**

Business Valued at $409,000

Estimated Increase: **$46.05**

Affected Department	Proposed Budget	Budget without Tax Change	Budget Change
Sheriff Sheriff	$1,300,314	$1,202,214	$98,100

For less than the average monthly internet bill, we can collectively improve service levels with a comparative monthly increase of only $2.11.
